

## **2009 Springdale Semi-Centennial Logo Contest Call for submissions**

The Town of Springdale, Utah will be celebrating its 50<sup>th</sup> Anniversary on May 9, 2009. There will be a series of celebrations throughout the year, and the Town wishes to commemorate the year with a special logo. The logo may be used on T-shirts, hats, stationary, pins, bags, signs or other related advertising and souvenirs.

We are interested in your ideas for the logo. We don't require camera-ready designs. The Town's existing logo may be utilized as part of the design or not – we're most interested in a creative way to commemorate this anniversary. We reserve the right to alter or refine a selected idea to make it camera-ready and to meet our varied needs.

There will be a cash award of \$100 for the winning idea and the winner will be credited with the design idea.

Submissions are due to the Town of Springdale by September 30, 2008. Designs can utilize any media that can be submitted in paper form and should not exceed 8.5" x 11" in size. More than one design may be submitted per contestant and there will be no submission fees. Springdale Town Council will select a winning idea in October and a finalized design will be completed by December 2008.

For more information, contact Town Clerk Fay Cope at 435.772.3434 or at [springdale@infowest.com](mailto:springdale@infowest.com).
