**Subject:** Support for SHPC museum proposal

Dear Council Members,

I recommend and support your approval of the proposal by SHPC to create a Historic Museum in Springdale. Since the initial presentation of this proposal to the Planning commission, SHPC members have addressed all of the concerns aired by myself and others at the meeting. As per my conversations with Jeff Carlson, I am deeply impressed by his efforts to fact find and compare alternative venues for the museum, finding financial partners to support the remodeling and long term operation of the building and inviting Paiute tribal members, Springdale's tourist association, and Zion Forever to participate in this community venture.

The SHPC members have created a wonderful legacy project for the community. I hope that each of you will endorse this proposal.

Sincerely,

Kathleen Kavarra Corr
