Dear Members of the Springdale Town Council,

Springdale is my hometown; I have lived in the Fort Worth, Texas area for the past forty-one years. My sister, Sharon Young, lives in Springdale and is currently visiting me. Our youngest sister, Janet, is a commissioner for the Springdale Historical Preservation Commission and has explained the details of acquiring a location for a historical museum in Springdale.

It is important for every town to have and support a museum where local history can be recorded and shared. Sharon and I hope that next Wednesday March 13th you will vote "Yes" on the history center project.

Sincerely,

Arta Vee Twitchell McLaughlin
