Dear Tom and members of the Town Council,

With all the changes & growth of our dear little town of Springdale, I fear losing touch with our roots.

I strongly support Historic Preservation & encourage you to do the same.

I feel that another 8 rooms at any motel is worth trading for a building of historic nature to house a museum / local information center. The old Canyon Ranch office building seems ideal.

As a long time resident of Springdale, I would be willing to invest many hours of my retirement years into gathering & organizing memorabilia and oral histories and even working at the museum to keep it open to the public.

Thank you for your consideration of this proposal by the Historic Preservation Committee.

Sincerely, Patsy Graves Chaffin
