Subject: Support for SHPC museum proposal - 3/13/19 Item C.1.
Date: Monday, March 11, 2019 11:01:34 AM

Town Council Members,

We would like to express our support for the SHPC's proposal to create a "town museum". The establishment of this museum will provide a needed service that is currently absent in our community.

The SHPC has put forth a detailed proposal that addressed the concerns brought up during the Planning Commission process and therefore should be favorably considered by the Town Council.
