Subject: Re: Support of the Springdale Historic Preservation (SHPC) proposal

Cheers, Darci! It'd be my pleasure to offer some input

I mostly support the plan in it's current form; however, may I propose instead of 1 building w/ 8 rooms for nightly-rentals it be 1 building w/ 8 rooms for employee housing and/or long-term-rental apartments (something which our community is in sore need). Just a thought.

Also, if the "Yellow House" property will be fully/legally turned over to the Town of Springdale, I think a Springdale Historical Center (not Visitor's Center, because we already have one of those in town; often getting confused with the one in the park) would be a wonderful idea.

Thanks so much for reaching out to me.

~Tina
