ATTN: Thomas Dansie, Town Manager
Springdale Town Council Members
118 Lion Blvd
P.O. Box 187
Springdale, Utah 84767

In Regards to the project at 1200 Zion Park Blvd, I sincerely ask that the Springdale Town Councilmembers remember to respect the property rights of all owners of any land in this town. Voting should never be based on personal preferences instead of following the town code. Ryan Lee's proposed project is legal in all respects and complies with the town code.

By arbitrarily denying him use of the property for his project at 1200 Zion Park Blvd, I as the lender in this project, am in definite danger of possible default on payments on this property as well as having it permanently devalued by your actions.

Please reconsider and allow this project to move forward to avoid a costly lawsuit and loss of my retirement income.

Sincerely,
