Subject: Luke's house
To: tdansie@springdale.utah.gov <tdansie@springdale.utah.gov>

Springdale town:

Please do not allow that house to be built. I am a full time resident and live in the Condo next to this construction being considered.

I am especially opposed to a nightly rental encroaching on my privacy and my safety.

There is already too much traffic for such a poorly maintained steep road.

All we need is another earthquake and that house will be in my house.

PLEASE, PLEASE DO NOT ALLOW THIS.

Linda Holmstead.
