

## **Department Reports – Randy Aton**

### **Community Renewable Energy Program**

1. The Program Design Committee has been meeting with RMP (Rocky Mountain Power) on a regular basis.
2. Rate Design has been the main topic of the talks with RMP. Several ideas have been discussed with RMP about how the rate will be designed to comply with RMP's needs, the State's statute requirements (no added costs to non-participating customers), and what the PSC (Public Service Commission) will likely accept.
3. There have also been preliminary discussions with RMP about low-income customers and termination fees.
4. You can sign up to get a monthly newsletter to keep updated on the program by going to the website : [utah100communities.org](http://utah100communities.org).

### **Fire Board – HVFSSD**

1. Our regular board meeting for May was cancelled.
2. Kevin Gildea is now retired. The new fire marshal is John Postert.
3. The calls and transports for May will be included with the council minutes.

### **Public Works**

1. The irrigation pond dredging project is currently underway. There is more material to remove than initially anticipated. Additional dredging will be required to finish the project.
2. The Park has again found traces of cyanobacteria in the Virgin. We are continuing weekly testing of the finished drinking water for the town of Springdale.
3. There was a kickoff meeting last week with NWLA for the design of the new Public Works Maintenance and Town Recreation buildings.

### **Streets Department**

1. Cleaned the UDOT cameras on SR9.
2. Started pressure washing bike symbols, shuttle stops and crosswalks.
3. Initiated getting the Historic Preservation Committee to come up with a sign/plaque for the portion of the old irrigation ditch wall visible at the base of Tiley Hill.
4. Working on an RFP for the LaFave to Montclair sidewalk project. Tentative schedule: Request for proposal issued June 06, 2022. Submissions of proposals June 24, 2022. Recommendation to council July 13, 2022. Start work by November 01, 2022. Complete work by January 27, 2023. Still working with UDOT on funding. Sunrise is working on getting exhibits to UDOT.
5. Still have half of Paradis and all of Juniper Lane to paint curb red to be complete.
