Re: **Appointment of Art Review Board members**

The Art Review Board is set to convene in the near future to review an application for a mural.

In brief, the Art Review Board oversees the Town's public art program and makes recommendations to the Planning Commission regarding murals on private properties and art on public grounds. The Art Review Board comprises five members - three are "permanent" positions, and two are "rotating" positions. The permanent members are as follows:

- two permanent positions from the local Arts and Humanities Council
 - *Lanell Dike*
 - *Vicki Bell*
- one permanent position from the Town Council
 - *Lisa Zumpft*

There are two rotating positions, filled by artists with expertise in a particular medium. The following people have been nominated for the rotating positions for this upcoming meeting.

- *Jan Passek*
- *Ashley Gowland*
- *Lisa Benham*
- *Sue Kenaston*
- *Michael Evensen*
- *Mike Ryan*

The Council is asked to approve the nominees for the rotating positions above. Based on availability, two of these nominees will then fill the rotating positions in the upcoming meeting, where the mural application will be considered.
