

Jack Burns
Council Department Report
February 2026

- January 5: Sworn in for a new four-year term.
- January 20: Conducted a site visit at River Park with Ryan and Tom to discuss vegetation restoration in disturbed areas along the river.
- January 26: Participated in the ULCT Legislative Policy Committee call.
- January 27: with Phone conversation Zion NPS staff to discuss consultation assistance for vegetation restoration in the disturbed areas near River Park where bank stabilization occurred.
- January 28: Participated in the FY2026 Capital Priorities Meeting.
- January 31: Assisted town staff and volunteers with planting native trees at River Park. We had a great turnout and completed a significant amount of planting. Thank you to Ryan and the town staff for coordinating this successful effort.
