Subject: Parking permit request

Hello Tom,

I would like you to forward this to the Planning Commission.
It is in regards of the Design Development Review for a Public Parking Area on 1145 Zion Park Blvd. (Jon Michael Marriot)

I am in opposition of another parking lot being added on Zion Park Blvd. It will continue to take away from the small town appeal we have. With Springdale being the gateway to Zion, we do not need it to become mostly parking lots as the welcome mat into town.

We do have a parking issue, but it could be resolved, to a certain extend, by continuing discussion with BLM to be able to get the acres needed for that project outside of Rockville. With a shuttle service from there, not only Springdale will benefit with the decrease in traffic but Rockville as well.
