From Mayor Bruno

Christmas in Zion

A flyer is attached to this newsletter, but I wanted to also mention a special event in this article.

Mike and Kristen Marriott have generously offered to host a Community Christmas Dinner and Concert on December 1 at Dulivia Ristorante. Dinner will be served at 6 pm, and music will begin at 7 pm.

I was one of the fortunate residents who attended last year's event. The food was fantastic, and the concert was equally fantastic. There were performers from the Canyon community as well as a few special guests from northern Utah.

A flyer is attached to this newsletter inviting you to RSVP for the event. Space is limited to approximately 100 people due to space constraints, so you'll want to respond as soon as possible.

The Marriotts are also looking for musicians to perform at the concert. Please contact them at the phone number or email on the flyer to sign up. They will want to know what song you'll perform in order to ensure that there are not duplicates. The song can be a musical number only, or it can have vocals as well.

Thank you, Mike and Kristen, for your generosity.

Why Volunteers Make the Butch Cassidy 10K/5K Race Possible: A Shoutout to Our Heroes!

As the Butch Cassidy 10K/5K Race approaches, the race committee wants to shine a spotlight on the backbone of our event: **our incredible volunteers**. These community members don't just support the race—they make it possible. From helping with pre-race logistics to cheering runners across the finish line, volunteers create the unforgettable experience our race is known for.

Essential Roles Volunteers Play

****On-Course Support****: Positioned at critical points, volunteers ensure that runners stay on course, provide water, and offer encouragement, creating a safe and spirited environment.

****Finish Line Festivities****: Volunteers celebrate each runner's achievement, handing out medals, managing post-race food and beverages, and keeping the energy high.

Whether it's for the love of running, the chance to give back, or to enjoy a community-centered event, our volunteers offer a fulfilling experience. Each volunteer helps create a memorable day for every participant, making the Butch Cassidy 10K/5K more than just a race—it's a celebration of community and dedication.

---Thank you to all our past, present, and future volunteers. Without you, the Butch Cassidy 10K/5K wouldn't be possible!

If you're interested in volunteering for Butch Cassidy 2025 or at any other Springdale Town Events, contact Robyn Sanders at rsanders@springdale.utah.gov

Water Service Line Inventory

In partnership with Sunrise Engineering, Springdale Town has developed a water service line inventory to comply with the Lead and Copper Rule Revisions set forth by the EPA. The final service line inventory for Springdale has been classified as non-lead; meaning no lead, galvanized downstream of lead, or unknown service lines were found.

The system was determined to be non-lead by performing field investigations and a detailed review of all available records, including the following:

- Aerial Imagery/Historical Imagery
- Water system records, construction as-built drawings
- Installation and construction dates
- Assessor records

For more information, please contact Rob Totten at rtotten@springdale.utah.gov

Community Gathering

In September, USU's Utah Wellbeing Project presented results from the public wellbeing survey. In October, Dr. Roger Carter from Southern Utah University facilitated a Community Gathering which touched base on several topics that came from the wellbeing survey. These included growth, tourism, water, and economic development. We had a great turnout from the community. Community members shared their thoughts, comments, and suggestions regarding these topics.

To promote and enhance the community's well being we plan to continue to facilitate community discussion on the topics of growth, tourism, and community character. Watch for upcoming opportunities to share your input and offer feedback. If you'd like to learn more about the Community Gathering, you can watch it on our YouTube channel:

Zion Canyon Arts & Crafts Fair

Join Z-ARTS for the Zion Canyon Arts & Crafts Fair at the Canyon Community Center in Springdale, Utah on November 29 & 30, 2024. From 10:00 am to 4:00 pm each day, an outstanding group of local, talented artisans will be showcasing their arts & crafts for purchase, in a range of price points, just in time for the holidays!

You'll find beautiful handmade jewelry, fine art, metalwork, blown glass, sculpture, crocheted items, pottery, leatherwork, seasonal Christmas wreaths, ornaments. The biggest challenge will be deciding which items you'll give as gifts and which ones you'll decide to keep for yourself!

This community event is free to enter for residents and visitors alike. Two local food trucks will be set up all day serving lunch, and you certainly won't want to miss the decadent community bake sale for coffee, a variety of sweet treats, as well as take home cakes, pies and more.

New for 2024, we're featuring a silent auction fundraiser for Z-ARTS. Local artists and area businesses have generously donated a variety of fabulous silent auction items including art, spa treatments, e-bike rentals, restaurant gift certificates and more. Over the two day fair, attendees will be able to bid on an amazing selection of items and experiences, perfect for residents and visitors to personally enjoy, or an ideal holiday gift for loved ones.

Also new in 2024, the Springdale Elementary School will have a table of handmade ornaments for purchase. This is a fundraiser for future art projects at the elementary school, so it's a great opportunity to support young local artists in the community.

If you'd like to volunteer your time at the event, to help to set up or break down, staff the bake sale table, provide items for the bake sale or silent auction, please reach out to and zarts@springdaletown.com we'll get you involved.

We encourage everyone to participate in this community-wide event; artisans, volunteers, bakers, shoppers, local businesses, visitors...come to the Zion Canyon Arts & Crafts Fair, where everyone is welcome... the more the merrier!
