

# TOWN OF SPRINGDALE

## Utah Department of Transportation

By the time you read this article, the resurfacing of SR-9 through Springdale should have been completed. I want to thank the Utah Department of Transportation (UDOT) for their willingness to work at night and for the quick completion of the project. You might wonder why they chose the month of July for the project, but they save money by being flexible with their contractor.

For your information, UDOT will be doing another project on SR-9 later this summer. They'll be trenching the center of the road to install conduits for fiber optics lines for their own use (for digital signs, etc.). They'll also offer some of the conduit to internet providers that want to offer fiber to businesses and residents along SR-9. The Town of Rockville will be able to get fiber at their Town Hall and office location.

UDOT has been a great partner to the Town of Springdale. As part of the project just completed, they have agreed to enhance our crosswalks to make them more visible and, therefore, safer. They have also added one crosswalk on the north end of Town. We asked for a couple of other crosswalks and were turned down. (It's worth noting that people are statistically safer crossing without a crosswalk because they pay closer attention to traffic. I'm not advocating for jaywalking, but please be careful when crossing SR-9 in or out of a crosswalk.)

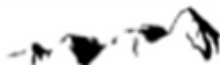

*(Continued on page 3)*

## National Register of Historic Places

On July 15, 2025, the Springdale Hilltop Cemetery (Pioneer Cemetery) and the Town Jail were officially listed in the National Register of Historic Places by the National Park Service. Listing in the National Register is intended to encourage preservation as well as provide recognition of a property's significance. The Register serves as the official list of properties that are deemed worthy of preservation due to their significance of American history, architecture, engineering, culture, etc.

These historic places contribute to a community's identity and continuity with the past. This is especially true with the Town Jail and the Pioneer Cemetery. The Town Jail was constructed in 1935 by a Civilian Conservation Corps (CCC) Camp at Zion National Park. The Town Jail is locally significant in Architecture and Politics/Government. The Pioneer Cemetery was active between 1862 and 1957 and is significant in exploration/settlement. The cemetery is associated with events that have made a significant contribution to the broad patterns of our history. We are excited to have more of Springdale's history noticed and listed on the National Register!

## **Primary Election Day!**

The 2025 Primary Election Day is Tuesday, August 12. This is the final day to participate in the primary election.

Ballots must be received by the Washington County Clerk's Office no later than 8:00 p.m. on Election Day. There is no longer a postmark deadline, so if you plan to return your ballot by mail, be sure to send it with enough time for it to arrive before the deadline.

For those returning ballots in person, you may use a county ballot drop box (open 24 hours) or a municipal ballot drop box (open during regular business hours) or return it directly to the County Clerk's Office by 8:00 p.m. on August 12. Drop box locations and hours are available on the town's website:

<https://www.springdaletown.com/235/Elections>

If you prefer to vote in person, Election in person voting will be held at the following locations:

### **Dixie Convention Center – Entrada Room**

1835 Convention Center Dr.  
St George UT 84790

### **Hurricane Community Center**

63 S 100 W  
Hurricane UT 84737

Polls open at 7am and close at 8pm on  
Election Day.

Registration by provisional ballot will be  
available.

Accessible voting equipment will be available at each vote center to assist voters with sight or mobility issues. An individual with a disability who is not able to vote a manual ballot by mail may obtain information on voting in an accessible manner from the county's website, [washco.elections.utah.gov](http://washco.elections.utah.gov) or by contacting the County Clerk @ 435-301-7248 or send an email to [elections@utah.gov](mailto:elections@utah.gov).

## **Zion Canyon Music Festival**

If you are a resident or worker of Springdale, you can get a free Friday night ticket to the music festival.

Go to the front desk at the Springdale Town Office to redeem your ticket. Bring proof of residence or employment.

There is a limited number of tickets available. Limit to 2 per person. Grab them soon!

And then get your Saturday night tickets here:

<https://zioncanyonmusicfestival.com/>

## **Town of Springdale Employee of the Year**

### **Program:**

### **We Want Your Nominations!**

This year, the Town of Springdale will be recognizing the great work our employees do through an employee of the year program. We want to invite you as residents of Springdale to participate by nominating employees that you feel have gone above and beyond the call of duty to help make Springdale such a great place.

Here is how it works... Starting in August, we will send out a digital form via email for you to fill out if you know an employee that you believe deserves to be recognized (we will also have paper forms at Town Hall if that is more your style). You will include the employee's name and a brief description of why you have nominated them. Some specific criteria will be provided on the form, but we mostly want to know what you have seen that sets that employee apart. Nominees will be voted on by staff and the employee of the year will be announced in September.

We appreciate all of your support and help with this. Please be on the lookout for more information and the nomination form coming soon!

## **Utah Department of Transportation**

*(Continued from page 1)*

You may not know that UDOT has a wide right-of-way throughout Town and, in fact, owns our sidewalks. They do not maintain the sidewalks; we do. UDOT widened the sidewalks, added the bike lanes, and put our electrical lines underground in 2017-18 when they completed their major "SR-9 Renewed" project.

It would be great if we could separate bikes from traffic in Springdale by installing a physical barrier, but UDOT has determined there is no room for that. You may not know that the Zion Regional Collaborative spearheaded and got UDOT funding for a "Zion Corridor Trail" from La Verkin to Zion National Park, and that trail is underway. The paved trail is intended to run along the Virgin River through Springdale and would give bikers an alternative to SR-9. We look forward to completion in the next few years. Washington County is the administrator and is currently completing the necessary environmental analyses.

Next time you encounter a UDOT employee, you might want to give them a hug.

BARBARA
