SIGN INFORMATION

Type of Sign (check appropriate style(s)):

- Master Sign Program
- Free Standing Sign
- Building-Mounted Sign
- Other _____

Proposed sign copy _____

Sign Dimensions: Height _____ (feet) Width _____ (feet)

Sign Area: _____ (square feet)

Note: Sign area is the number of square feet enclosed within the smallest rectangle that can contain the sign copy, logo, and associated graphics. If the sign consists of more than one section or module, all areas will be totaled.

ADDITIONAL INFORMATION

- Attach a statement that the Applicant is the owner or the authorized agent of the property on which the sign will be located.
- If the sign is a building mounted sign, attach an elevation of the building face where the sign will be located showing the sign's location on the building and height off the ground. If the proposed sign is a free-standing sign, attach a site plan showing the location of the proposed sign, its relationship to other structures on the site, and proposed landscaping for the base of the sign.
- Attach front and side renderings of the sign, to scale, showing dimensions, construction supports, foundation, method of attachment lettering style and text.
- Describe and provide samples of sign materials for background and lettering including color samples.
- Describe proposed method of illumination, if any.
- If this application is for a Master Sign program, the above information will be required for each sign in addition to a master site plan showing the locations of all proposed signage.
