My Priorities:

- A spending review and conservative budgeting are essential to ensure transparency and protect Springdale's long-term financial health.
- Sustainable infrastructure: Protect the essentials — water, sanitation, and roads
- Transportation: Safer roads, better traffic flow, pedestrian & bike safety; expand walkways, bike lanes, address e-bike impacts.
- Emergency Preparedness: Establish a local Emergency Response Team.
- Environment: Protect wildlife corridors, reduce vehicle emissions
- Local Business Support: Strengthen small businesses, encourage local shopping, establish Town policies that support long-term success
- Community Investment: Enhance parks & support local arts, and promote community identity, showcasing Springdale as a vibrant, prosperous town—not just a gateway to Zion;
- Healthcare & Wellbeing: Improve access to healthcare and mental health services.
